Dear Family, Friends & Co-laborers in Christ,

Oct-Dec 2011

Thank you for your prayers and financial support! As the year came to a close, we thanked the Lord for each and every one of you. We also thank the Lord for His blessings and watching over us while serving here in Mexico. I would like to thank those who were able to give a little extra this holiday season. I know in these hard times it has been rough for some and worse for others. So we appreciate it very much. We want to say thank you to Harmony Baptist Church for sending the funds we needed to get Gloria's renewal card. Thank you also to Cross Roads Baptist Church for sending the shoe boxes for the children in Mexico. They were very excited about that!

Now the exciting news
We had a soul saved this
December!! PRAISE THE LORD!!!
The mother to the boy in yellow in
the picture to your right received
Christ as her personal Saviour!!
Her name is Yesenia Ceja. Please
remember her in prayer I know she
will be receiving a lot of persecution

due to the fact that her Mom is Catholic. Her mother-in-law and her in-laws also play a big role at the local Catholic church, but we know who is greater of them all!!! It is JESUS CHRIST — amen!!!

We had an interesting Sunday the latter end of December and realized there were 4 to 5 trucks on the side of the road. As we got closer, a guy got in the middle of the road to wave us down. Sure enough, the day finally came that the cartels pulled us over and wanted to "borrow" (that is what he said) my spare tire and of course, I said "Yes." But, I did not stick around to find out if it fit or not! I did say if they knew where the church was so they could bring it back — they did say borrow. Those spares are expensive and I could not afford another one! Well Sunday passed and my spare never showed up. I figured I had lost it. But let me tell you how good the Lord is. We went back to church Wednesday and one of our members told me she had something for me. Yes, it was the spare tire!!

The Lord works in mysterious ways. I thank the Lord. He is so good to us because it could have been something else instead of a tire. Amen!!! Please remember us in your prayers. We love you and pray the Lord will continue to bless each and every one of you this new year as we continue to serve together in 2012!!!
Keep looking for His return!

The Hammett Family,
